

Three ceramic candles are shown side-by-side. Each candle is housed in a white ceramic container with a black line-art illustration. The first candle on the left features a large, multi-story house with a chimney, surrounded by trees and a garden. The middle candle depicts a small cabin nestled in a mountainous landscape with evergreen trees and a winding path. The third candle on the right shows a traditional windmill situated next to a stone bridge over a river, with trees and foliage in the background. All three candles have a single wick and a layer of yellow wax.
