It is a type of marbled paper called [tumbler](#) marbled paper. It is a type of marbled paper that is made by mixing different colors of ink and paper. The colors are mixed together to create a unique pattern. The pattern is usually made of small, irregular shapes that are scattered across the surface. The colors are usually bright and vibrant, but they can also be muted and subtle. The pattern is often used for book covers and endpapers. It is a popular choice for people who like a classic, elegant look.
