Office & Sample Room

Kitchen Craft is renowned for its large range of 500 new products showcasing at Art & Design new items across the board.

Notable launches include a range of sharpened automatically when being used. Kitchen, a kitchen storage range in the new Metallics collection forms the exact same stand-out black and clear glass for sale. There will also be a re-launch of the original collection introduced in 2011 with wood accents to seamlessly blend with all this a host of new tools and accessories. New woven placemats and pastry tool extensions in the new collection. Along with the latest on-trend kitchen top items, tools and accessories.

g this exquisite range is a new kitchen set features five essential pieces. Beautifully coated in a durable, easy-to-clean base, each knife is made from superior cutting performance. Jar canisters are also available.

and A50

d consumers alike will be excited by the exciting new products and collections include Stone and Wood. These new kitchen storage items will appeal. To co-ordinate, T&G introduced a new wood collection available in natural, stained, or painted finishes.

Also on show will be new additions to the enamel look Pride of Place ceramic storage and pasta jars in white and cool grey. Other popular ranges, including Sopot CrushGrind® mills, and much more.
