The 360° fully transparent design clearly presents every frame of light and shadow changes during the burning of the candle. From the faint glow of the flickering wick to the texture of the slowly flowing wax liquid, every light is a dual treat for both the eyes and the nose.

The can body is designed with a wide mouth, making it easy to pour wax liquid and insert dried flowers, aromatherapy crystals, shells and other decorative items. Whether you are a beginner trying or a professional handcrafting, you can create a unique custom candle.
