storage product ranges.

"The easiest way to spoil the look of a kitchen is untidiness," says a spokesperson for Premier Housewares. "Getting kitchen storage that matches your design themes is essential: everything should have a place. Food that comes in flashy packaging should be in cupboards, or moved into containers, so everything in the kitchen looks like it is designed to be there."

The Grub Tub range includes polypropylene lunch boxes in a number of bright colours that have several useful features. The box has two separate containers and it comes with plastic cutlery and grips to hold them. There's a sealable cup, and a cool bag bag enough to hold it all. There's an elastic strap to keep the box sealed and an elastic ring inside the bag to hold the cup in place. Grub Tub also includes various shapes and sizes of air-tight, transparent, polystyrene and silicone food storage containers. It's a range for action.
