containers, so everything in the kitchen looks like it is designed to be there. The Grub Tub range includes polypropylene lunch boxes in a number of bright colours that have several useful features. The box has two separate containers and it comes with plastic cutlery and grips to hold them. There's a sealable cup, and a cool bag big enough to hold it all. There's an elastic strap to keep the box sealed and an elastic ring inside the bag to hold the cup in place. Grub Tub also includes various shapes and sizes of air-tight, transparent, polystyrene and silicone food storage containers. It's a range for active consumers who want to have lunch on-the-go, or keep ingredients fresher for longer.

For 2017, Finurn is expanding its coffee assortment with the introduction of two functional coffee brewers. Bloom and Flow is a new pour-over coffee and tea brewer consisting of a stylish glass carafe and a unique funnel insert which provides an optimised bloom and flow of coffee through the paper cone. Made in Germany, it comes with a funnel adapter which converts Bloom and Flow into a pour-over tea brewer. Coffee Spritzer, a single-up coffee brewer (pictured), is the solution to ultimate freshness - place the Coffee Spritzer on a mug or cup and add ground coffee into the filter; the water distributor is inserted to press the ground
