

SGSN16112310

Product Details

Product ID	SGSN16112310
Material	Aluminum/Al
Color	Matte Silver
Dimensions	1. 400x400x150 2. 200x200x150
Weight	400x480
Capacity	500,000 - 1,000,000
Specifications	1. Standard aluminum alloy, brushed 2. Anodized aluminum, thickness 0.15mm 3. High precision CNC machining 4.4 FDA approved; ASTM; CA65
Lead Time	35 days
MOQ	1000 units

Product Description

1. T / T3030 / B / L
2. L / C / T / T

Product Features

1. High precision CNC machining
2. Anodized aluminum, thickness 0.15mm
3. High precision CNC machining
4. High precision CNC machining
5. High precision CNC machining

Product Details

1. High precision CNC machining
2. Anodized aluminum, thickness 0.15mm
3. High precision CNC machining, thickness 0.15mm.
4. High precision CNC machining
