Hall 4.0 Stand C10

Belgian brand BergHoff will showcase its award-winning lines at this show, including its Ron range, which has secured two Red Dot Design awards – for the knives and cast iron collection. In fact, five of its latest collections have secured Red Dot Design awards, including its latest line, Leo, for the pizza prep set and the ravioli set.

With Leo, BergHoff brings playful colours, pure shapes and soft textures to the kitchen. Wooden handles versus synthetic ones, soft-touch materials opposed to stainless steel, cork and bamboo fibres. The company's in-house designer Pieter Roex chose each resource to demonstrate its particular qualities in function and design – “an approach that caught the eye of the Red Dot Design jury who promptly honoured the ravioli stamps and the pizza set with the Red Dot Design award,” says president Raf Vanthoor.

Delighted to be collaborating again with German award-winning designer Ralph Kraemer, BergHoff has recently launched nine new cutlery collections combining classical characteristics with contemporary design features. During the show, Vanthoor says, “our aim for what’s new is to offer a fresh perspective on what’s possible with stainless steel technology, even diamonds making it the most durable GreenPan™ coating to date – and metal utensil safe. Barcelona comprises four sizes of frypan, wok, shallow casserole and casserole with lid and features include easy-clean exterior and the Magneto™ energy-saving induction base. For 2011, Rex is expanding its coffee assortment with the introduction of two licensed coffee brewers, Storm and Flow. The new products offer an alternative to the traditional drip coffee maker. Storm is a compact and stylish coffee maker which provides a superior brew and Flow of coffee through the superior Storm and Flow with a unique design.

Life's simple things are better – place the coffee stream in a clean container – place the coffee stream in a clean container – place the coffee stream in a clean container – place the coffee stream in a clean container.
