spokesperson for Premier Housewares. "Getting kitchen storage that matches your design themes is essential; everything should have a place. Food that comes in factory packaging should be in cupboards, or moved into containers, so everything in the kitchen looks like it is designed to be there." The Grub-a-box includes polycarbonate lunch boxes in a number of bright colours that have several useful features. The box has two separate containers and it comes with plastic cutlery and grips to hold them. There's a sealable cup, and a cool bag big enough to hold it all. There's an elastic strap to keep the box sealed and an elastic ring inside the bag to hold the cup in place. Grub tub also includes various shapes and sizes of air-tight, transparent, polystyrene and silicone food storage containers. It's a range for *every* lunch-on-the-go.

"The easiest way to spoil the look of a kitchen is undiness," says a spokesman for Premier Housewares.
