## FAQ

### 1) Can you combine multiple items into one container with my first order?

Yes we can. But the quantity of each ordered item should reach our MOQ.

### 2) If there are any quality problems, how can you solve it for us?

When unloading a container, all cargo needs to be inspected. If you find any damaged or defective products, you must take photos from the original carton. All claims must be made within 15 working days of container unloading. This date is based on the arrival time of the container.

### 3) Why did you choose us?

1. We have more than 1 year of rich experience in glassware trading **20 years** and the most professional team.
2. We have 10 production lines with a monthly production capacity of 15 million pieces, and our strict processes enable us to maintain a pass rate of more than 99%.
3. We work with over 1800 clients in approximately 80 countries.
4. We provide professional one-stop global logistics services.

#### **4) Can we get free samples from you?**

Yes you can. our **Samples are free** For customers who confirm their order. But the express freight is borne by the buyer.

#### **5) How about your MOQ?**

Different types of products will have different minimum order quantities, and for some glassware in stock, small orders are acceptable.

#### **6) How many people do you have in your R&D department?**

We have 5 professional designers who develop 15 innovative designs every month.

#### **7) Can you give me a price discount?**

The price depends on your quantity, if you want a good price for small order, you can produce more quantity at one time and leave them in our warehouse, we will keep the goods for you until you need them.
