FAQ

1) In my first order, can you combine many items in one container?

We can. But the quantity of each order item should reach our order quantity.

2) If there are any quality issues, how do you solve them for us?

When unloading, you need to check all the goods. If any broken or defective products are found, you must take photos from the original carton. All claims must be filed within 15 working days after unloading. This date shall be subject to the arrival time of the container.

3) Why choose us?

1. We have rich experience in glass products trading for more than 20 years and the most professional team.
2. We have 10 production lines that can produce 15 million pieces per month, and we have strict processes that allow us to maintain a pass rate of more than 99%.
3. We work with over 1,800 clients in about 80 countries.
4. We provide professional one-stop global logistics services.

4) Can we get your free samples?

Yes you can. Our **Samples are free** For customers who confirm orders. But the express shipping fee is borne by the buyer.

5) How is your order quantity?

Different types of products have different orders. For some glass jars in stock, small orders are acceptable.

6) How many people are there in your R&D department?

We have 5 professional designers who will develop 15 innovative designs per month.

7) Can you give me a discount on the price?

The price depends on your quantity, if you want a good price for small orders you can produce more quantities at once and leave them in our warehouse, we will keep the goods for you until you need them.

We look forward to your consultation and cooperation.
