Wooden handles versus synthetic ones, pure shapes and soft touches and bamboo fibres. The company's in-house designer Peder Pors chose each material to demonstrate its particular qualities in function and design. "An approaching night brought the Red Dot Design award," says president Raf Vandhoof.
Delighted to be collaborating again with German award-winning design firm Kraemer, Berghoff has recently launched nine new cutlery collections combining classic characteristics with contemporary design features. During the design process, the aim was to create a collection that was not just to look great but also to feel great in the hand. The Red Dot Design award is a...
