range which has secured two Red Dot Design awards – for the knives and for the ravioli set. Five of its latest collections have secured Red Dot Design awards, including the pizza set and the ravioli set.

With Leo Berghoff brings playful colours, pure shapes and soft textures to the kitchen. Wooden handles versus synthetic ones, soft-touch materials opposed to stainless steel, and bamboo fibres. The company's in-house designer Peter Reyer chose each resource to demonstrate its particular qualities in function and design – an approach that caught the eye of the Red Dot Design jury who promptly honoured the ravioli stamps and the pizza set with the Red Dot Design award, says president Raf Vanhaezebrouck.

With the exception of the first two, all of the other children have been exposed to violence at some point in their lives. Some have been exposed to violence through their parents, some through other family members, some through friends or school mates. All of the children have been exposed to violence in some way, shape or form. This is a very important point to remember, as it is often the case that children who want to see violence against adults, do so because they have been exposed to it.
