With LED, design and playful colours, pure shapes and soft textures to the kitchen. Wooden handles versus synthetic ones, soft-touch materials opposed to stainless steel and bamboo fibres. The company's in-house designer Pieter Ruyt chose each material to demonstrate its particular qualities in function and design – "an approach that caught the eye of the Red Dot Design jury who promptly honoured the rivoli stamps and the pizza set with the Red Dot Design award," says president Raf Vanthoor.

Delighted to be collaborating again with German award-winning designer Ralph Kraemer, Berghoff has recently launched nine new cutlery collections combining classical characteristics with contemporary design features. During the design process, for an hour and a half, the team looked great but also to feel great in the hand," says Raf Kraemer. "The 18/10 stainless steel and a weight that is just right."
