

A black and white photograph of a cylindrical glass vase. The vase features a complex, multi-faceted, grid-like pattern that creates a textured, crystalline appearance. The surface is highly reflective, with numerous highlights and shadows that emphasize the three-dimensional quality of the facets. The vase is shown against a dark, solid background, which makes the intricate details of the glasswork stand out. The lighting is dramatic, coming from the side to highlight the edges of the facets and the rim of the vase.
