

[Decorative Centerpieces & Votive Holders](#)

Votives are a popular choice for centerpieces and table settings. They can be made in a variety of shapes and sizes, and can be decorated with a wide range of materials and colors. Some popular options include glass, ceramic, and wood. You can also use recycled materials, such as old jars or bottles, to create unique and eco-friendly votive holders. For more ideas and inspiration, check out our collection of decorative votive holders and centerpieces.
