

Product Details

Product Name	SGYS16103101
Product Code	SGYS16103101
Product Description	Product Description: 96 ml Product Description: 96 ml Product Description: 85 ml Product Description: 410ml Product Description: 376g
Product Category	Product Category
Product Features	1. 5 Product Features 2. 15 Product Features
Product Specifications	Product Specifications: 24 ml / 36 ml / 48 ml Product Specifications: 24 ml / 36 ml / 48 ml
Product Price	5,000 Product Price
Product Weight	Product Weight 35 Product Weight
Product Dimensions	Product Dimensions 30% Product Dimensions T / T Product Dimensions B / L
Product Certifications	1. Product Certifications 2. Product Certifications FDA, SGS, LFGB test Product Certifications 3. Product Certifications 4. Product Certifications 5. Product Certifications
