

Kitchn

Hall 3.1 Stand

Kitchenware long known for its durability and ease of use, Kitchn has introduced a new professional-grade stainless steel range for the kitchen. For the first time, Kitchn has introduced a range of stainless steel cookware, including the new professional-grade stainless steel range. Stand Mixer by Egmont, a new range of stainless steel cookware, including the new professional-grade stainless steel range. Offering the same level of durability and ease of use as the previous range, the new range is made from 18/8 stainless steel, featuring a brushed finish and a weight that is both sturdy and elegant. Originally launched in 2015, the new range is a testament to Kitchn's commitment to quality and innovation. www.kitchn.com

With Leo Berghoff brings playful colours, pure shapes and soft textures to the kitchen. Wooden handles versus synthetic ones, soft-touch materials opposed to stainless steel, cork and bamboo fibres. The company's in-house designer Pieter Boes chose each resource to demonstrate its particular qualities in function and design - "an approach that caught the eye of the Red Dot Design jury who promptly honoured the ravioli stamps and the pizza set with the Red Dot Design award", says president Raf Vanhulst.

Red-winning designer Raaf Vanhulst's collections combining classic design processes, you can find great in the hand" says Raf Vanhulst and a weight that is both sturdy and elegant. Originally launched in 2015, the new range is a testament to Kitchn's commitment to quality and innovation. www.kitchn.com

GreenPan

Hall 3.1 Stand D30

Kela

Hall 1.2 Stand E 30 + E 70

Founded in 1903 and based in Germany...

Pyrex is set to reveal its new brand in 2017, along with an ever-growing range of products. After celebrating its 100th anniversary, Pyrex is excited to further expand its product range. Pyrex is very excited to share an ambient look and feel to the Pyrex brand - a commitment to a traditional brand that has so much to offer. Bonafide glass was the Pyrex brand's first product range in 1915 and will continue to be a highlight of new glass ranges. Pyrex will also be introducing a new range of stainless steel cookware to the existing popular metal bakeware range with the new Magic range while solutions have been added to the successful top of stove range. Expert solutions in line with the ever-popular Pyrex brand for fresh and healthy cooking. www.pyrexuk.com

For 2017, Kela is expanding its coffee assortment with the introduction of two functional coffee brewers: Bloom and Flow. Bloom is a new pour-over coffee and tea brewer, crossing the gap between a traditional pour-over and a French press. It provides an optimised bloom and flow of coffee through its paper cone. Made in Germany, it comes with a built-in adapter which converts Bloom and Flow into a standard size for coffee brewers. www.kela.com
