Wooden handles versus synthetic ones, pure shapes and soft-touch materials approach to create the look demonstrate its particular qualities in function and design - "an approach that caught the eye of the Red Dot Design award," says president Raf Vandhoek.

Delighted to be collaborating again with German award-winning design duo Kraemer, BergHoff has recently launched nine new cutlery collections. Each collection has its own characteristics with contemporary design features. During the design process, the aim was to create a collection that was not just to look great but also to feel great in the hand. The new collection includes 18/10 stainless steel and a weight that is "light as a feather".
