Delighted to be collaborating again with German award-winning design firm
Kraemer, Berghoff has recently launched nine new cutlery collections, each with
characteristics with contemporary design features. During the design process, the aim
was to create a collection that was not just to look great but also to feel great in the hand. The
individual piece was not just to look great but also to feel great in the hand. The
grade 18/10 stainless steel set is a perfect example of this.
