Originaly launched in 1997, the *Journal of the American Dietetic Association* is a leading source of information on dietetics and nutrition. The journal is published quarterly and is available in both print and online formats. The online version is available at <http://ajda.sagepub.com>.

large, which has secured two Red Dot Design awards – for the knives and cast iron collection in fact. Five of its latest collections have secured Red Dot Design awards, including its *maizra* prep set and the ravioli set.

With Leo Berg-Hoff bringing playful colours, pure shapes and soft textures to the kitchen, wooden handles versus synthetic ones, soft-touch materials opposed to painted steel, oak and bamboo fibres. The company's in-house designer Peter Röber chose each resource to demonstrate its particular qualities in function and design – "an approach that caught the eye of the Red Dot Design jury who promptly honoured the rindoll, stamps and the pizza set with the Red Dot Design award," says president Raf Vandenbroucke.

Pryor is set to reveal its new brand in 2017, along with an ever-growing range of products. After celebrating its 10th birthday, Pryor has re-branded to further strengthen its position as a leading UK glass product. Pryor's CMD, Mela and Mela+ ranges are a testament to the company's commitment to innovation and quality. Pryor is very excited to share its new brand with its customers and to see the positive feedback and feel to the Pryor brand – a brand that has been a part of many homes in a traditional brand that has so much to offer. Pryor is also looking for the opportunity to showcase its glass products in a new way, with a focus on the quality and craftsmanship of its products. Pryor will continue to be a highlight in the glass industry, with a focus on the quality and craftsmanship of its products. Pryor will also be looking for the opportunity to showcase its glass products in a new way, with a focus on the quality and craftsmanship of its products.
